“ Dr. Marshall was the absolute best! He was our family doctor for many years. I was so sad when he retired. I haven't found a doctor yet that I liked as well as Dr. Marshall. He delivered all four of my babies and I'm pretty sure Audra was one of my nurses with them all as well. My thoughts and prayers are with the whole family. Jolene Kendall

“ Doc Marshall had a no nonsense, compassionate way of keeping our family healthy. His sense of humor surfaced when needed. He sang a hymn to me while delivering Whitney because it was Sunday morning and we couldn't attend church! Our sympathies to Audrey and family. Carole, Roger and Whitney Custer
